

Whootie Owl's: Write the Setting in the Cap Map

The **setting** of a story is *where* and *when* a story takes place. Write the setting of the story in the child's cap below. Write two sounds that can be **heard** in each of the child's ears. Write two scenes or images that can be **seen** in each of the child's eyes. Write one smell that can be smelled in the child's nose.

Note: You can write a full sentence inside the cap. There is not much room to write inside the "eyes," "ears," and "nose," so it is best to write single words such as "garden" or "room" or "birds" in those spaces.
